

## Lakies Weekly Grade **Level** Task List

Hey Gators, please find your tasks to be completed this week.

Week of: April 6-9<sup>th</sup> (No School on Good Friday, April 10<sup>th</sup>)

Language Arts: Hey Gators! I hope you all enjoyed reading *Anne Frank*. This is what the week will look like for L.A.

### REQUIRED

- 1) Watch the Hip-Hop Lesson in **L.A. General -> Files -> Class Materials -> Hip-Hop Lesson**
- 2) Complete the open book quiz. Use Wikipedia as your source for finding answers.
- 3) 30 minutes of reading each day. You do not have to track your reading

### OPTIONAL:

- 1) Journal entry as short or as long as you would like. The assignment will be for everyone but you do not have to write it if you do not want to.

Much Love!

### Social Studies:

This week we'll be learning about the Metis. The Chapter 8 workbook is attached. I've attached the workbook in 2 formats this week - the PDF might be a bit easier to fill in! Whichever version you work in **DOWNLOAD & SAVE A COPY with a different name before you start working on it.**

Here is a suggested schedule for this week:

**Monday:** Read pages 168-172

**Tuesday:** Complete pages 1-2 in workbook

**Wednesday:** Read pages 173-177

**Thursday:** Complete pages 3-4 in workbook

**Friday:** Start of Easter Break - Happy Easter!! Do a lot of PLAY this week:)

### Wellness Activities:

Hey Gators!

This week we wanted to remind you of a couple important resources that you can access if you are in need of support.

- Kids Help Phone - 1-800-668-6868 or text 686868 or download the 'Always There' App
- 24 Hour Hope for Wellness Helpline (For Indigenous Youth) - 1-855-242-3310  
or go to [Hope for Wellness](#) for an on-line chat counseling service.

Take care, be well and stay connected!

Your G.S. Lakie Wellness Team

## Lakies Weekly Grade **Level** Task List

Hey Gators, please find your tasks to be completed this week.

Week of: April 6-9<sup>th</sup> (No School on Good Friday, April 10<sup>th</sup>)

### Math:

#### Math:

Hey Mathematicians!

Math will have **3 tasks** again this week. You can find more detail for each task on **Microsoft Teams**. Please read the requirements for each task carefully. Here is a brief overview of what you'll be doing this week.

1. **Chapter 9 - Integers Task (Part 2)**– This task has two parts:
  1. **CEMC Tutorials** – This online resource offers some more video tutorials and practice. No login required.
  2. **Practice Test** – Practice using some questions taken from the textbook. This task you will have to do in the attached document and then submit.
2. **Chapter 9 - Integers Check-In** – Do this last. When you feel confident about adding and subtracting integers, complete this check-in.
3. **Play a Game** and tell me about it

I've posted a YouTube link where I talk more about the tasks for this week. Check it out here: [https://youtu.be/Eo2hL45Z\\_w](https://youtu.be/Eo2hL45Z_w)

Also, keep an eye out for more **Zoom meetings**. Check your **student email** and the posts page in the **MATH 7 – General** Team for details and invites.

Science: In science this week, we will be having a tower building challenge.

Go to ASSIGNMENTS and I will upload 'Build the Tallest Structure-Modified for Home). Your task will be to plan and build the tallest free-standing structure using normal, household materials (no construction materials please). Fill in the details of your plan and upload the assignment with a picture or link to a video of your build. Also, you can post a picture in the POSTS section of Teams to share what you are doing.

I will set up an optional Zoom time on Tuesday (times TBA). Remember you can also CHAT with me at any time, just send me a message first and we can connect.

The WRITE UP for your project must be completed as well as a picture. This is usually one of the students favorite in-class activities so have fun with it!!

## Lakies Weekly Grade **Level** Task List

Hey Gators, please find your tasks to be completed this week.

Week of: April 6-9<sup>th</sup> (No School on Good Friday, April 10<sup>th</sup>)

### **Online Meeting Schedule:**

**Science:** Tuesday at 10:30am, brief overview of the Structures Project

**FLETCHER FISHOLOGY:** Friday April 10<sup>th</sup> Easter Egg Swap instead of weekly Zoom!  
I will email instructions and it is optional! 😊

**Math:** Check student email – each class has been booked a time to meet.

**Additional Activities:** **TUESDAY IS GREEN SHIRT DAY!** Green Shirt Day is taking place April 7, 2020. It is a day to raise awareness of organ donation and register organ donors across

*In honour of former Gator  
Logan Boulet we want to see  
you in green!*

*Take your selfies dressed in  
green and tag gslakie on  
Instagram*

*Add the #loganbouleteffect*

*Tuesday April 7<sup>th</sup>*
