

## Lakie's Weekly Grade 7 Task List

Hey Gators, please find your tasks to be completed this week.

Week of: May 4th-8th

### **Math:**

A quick note about Math Zoom Meetings:

All Math Zoom Meetings are **completely optional**. Come only if you would like some extra help and support. Please do not feel obligated to attend every (or any) Math Zoom Meetings. With that said, I always appreciate seeing students when they do show up!

### **Science:**

Monday: you will have a short quiz on Unit 4-Topic 4. It will be in ASSIGNMENTS. It is open book. Remember to only start the quiz when you have reviewed enough because it is a one-time deal. **The quiz will close**

**Wednesday!!!** 😊

Tues-Friday: You will have a bridge-building project. I will put the document in ASSIGNMENTS. You will **answer a few questions and submit a picture of your bridge**. You can also submit a video of your bridge bearing weight. Some of the funniest ones had students build bridges for their pets!

There will be no final exam for this unit, so this project represents the last of this unit. Next week we will start working on Unit 5-Planet Earth!

### **Additional Activities:**

Please remember to check out your **Enrichment Activities** and **Lakie PE** classes on Teams for more amazing learning!

## **#GETREAL G.S. LAKIE CHALLENGE**

HATS ON FOR MENTAL HEALTH

**Wednesday, May 6, 2020**

**We invite our G.S. Lakie family to wear your hats to support mental health awareness!**

Show us all the many ways you are taking care of your mental health! Be creative Gators and have fun with this! Take a photo or a video of you with your hat on, doing something that is positive for your mental health!

Maybe for you, taking care of your mental health happens through art, such as painting, dancing, sculpting or beading, maybe through physical activities, such as walking, jogging, soccer, or playing on a trampoline, maybe through singing, drumming, writing, music, cooking, talking with friends and family, maybe by spending time with your pet, quality time with a parent or a sibling, gardening, reading a good book, relaxing, watching a movie, or sewing.

**What have you found works for you to take care of your mental health?**

**SEND YOUR PHOTOS OR VIDEOS TO:**
